- Grille Guard

Bump/grille guards available with front weight carriage compatibility.

Loader Upgrade Options

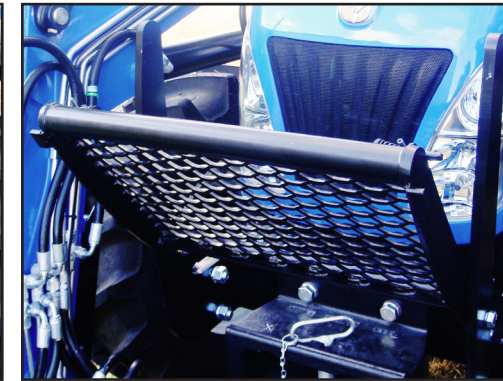

- 3rd function service
- 4th function service
- Hydro-ride
- Easy lock

3rd function service is a standard feature of the CLX series loaders.

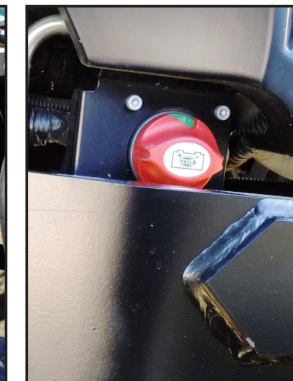

Contact your local tractor dealer for model compatibility of all Challenge products and accessories.

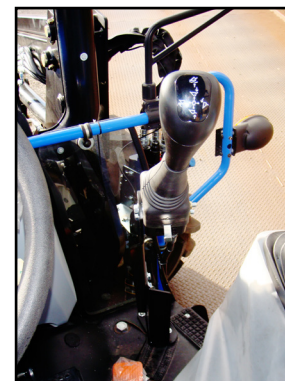

Toolbox Relocation:
Convenient storage for tools.

Guard Options: Protect the front of your investment with a grille guard or bump guard. The fold down grille guard insert creates a more compact and functional design.

Service Access: Easy access to all the serviceable parts and components of your tractor, including air filters, oil filters and sump plug.

Auxiliary Valve Kit: Multi-position joystick control to suit individual operator requirements.

Midmount Remotes Kit: Integrated loader controls utilising host tractor joystick. Loader connection is easy with a multi-coupler.
