Engineered for superior strength and aesthetic appeal. Challenge packages come with a full line-up of control options and accessories to maximise your productivity.

**Toolbox Relocation:**  
Convenient storage for tools.

**Midmount Remotes Kit:** Integrated loader controls utilising host tractor joystick conveniently positioned in the existing control console.

**Service Access:** Easy access to all the serviceable parts and components of your tractor, including air filters, oil filters and sump plug.

**Auxiliary Valve Kit:** Joystick control positioned to suit operator requirements. Loader connection is easy with a multi-coupler.

**Guard Options:** Protect the front of your investment with a grille guard or bump guard. The fold down grille guard, provides a more compact and functional design and the grille insert may be removed completely for night work.
