SKID STEER

XD & XD MAX

4-IN-1 BUCKETS

XD with single cutting edge and weld-on teeth

XD with triple cutting edge and weld-on teeth

XD-Max with triple cutting edge and weld-on teeth

As with all Challenge Implements products, our XD and XD Max Skid-Steer 4-in-1 buckets are designed and tested by Australians for our tough Australian conditions. Being built from high-quality components & materials ensures all our buckets will deliver productive and reliable results for many years to come.

SKID-STEER 4-IN-1 FEATURES

- Bucket sizes including 1730mm, 1850mm and 2100mm widths
- Large range of bucket configurations including XD heavy-ground engaging bucket and the XD Max high-capacity buckets
- 20mm flat-bottom floor and cutting edges made from high-strength, wear-resistant steel
- Torsion-beam reinforced bucket design for increased rigidity, strength and endurance
- Spill-guard with mesh insert designed for improved visibility while minimising debris ingress to the rear of the bucket and tilt cylinder
- Grab teeth incorporated into curved grab jaws of the bucket
- Challenge-made hitch meeting ISO 24410 standards suitable for all leading skid-steer brands.
- Easy access and steps

ADDITIONAL DESIGN FEATURES

- **Fitted-as-standard** tilt-cylinder includes locking valve for consistent and controlled movement
- Hi-grade tilt & pivot pins with remote or easy access allowing all bucket pins to be greased while remaining attached to the skid-steer machine
- Welded tooth adaptors with replaceable ground-engaging teeth
- Bolt-on and replaceable front, middle and rear cutting edges
- Jaw-lock to ensure a hard, consistent clamp when grabbing & moving with the bucket

SKID-STEER 4-IN-1 SPECIFICATIONS

PRODUCT	BUCKET WIDTH	LOAD CAPACITY		VERTICAL MOVEMENT	MASS (KG)		
		STRUCK	HEAPED		STANDARD	SINGLE C.E. + [TEETH]	TRIPLE C.E. + [TEETH]
XD 4-IN-1	1730	0.35m³	0.46m³	Fixed	403	455 [7]	498 [7]
				Tilt +/-15°	502	554 [7]	598 [7]
	1850	0.38m³	0.49m³	Fixed	420	474 [7]	521 [7]
				Tilt +/-15°	520	574 [7]	621 [7]
	2100	0.42m³	0.56m³	Fixed	457	518 [8]	571 [8]
				Tilt +/-15°	557	618 [8]	670 [8]
PRODUCT	BUCKET WIDTH	LOAD CAPACITY		VERTICAL MOVEMENT	MASS (KG)		
		STRUCK	HEAPED		TRIPLE C.E.	TRIPLE C.E. + [TEETH]	
XD 4-IN-1 MAX	2100	0.62m³	0.79m³	Fixed	653	678 [8]	
				Tilt +/-15°	741	766 [8]
